

Exciting News at C&W Chiropractic

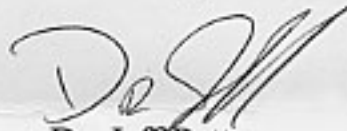

This past year has been an exciting time in your chiropractor's office. Some of the changes you have seen. The addition of Dr. Jeff Potts, in-office rehabilitation exercises, and the opening of our new office, Community Chiropractic in Morgan Hill by Dr. Nicole. More changes are on the way: Dr. Dave will be spending more time in the new office as of June, but you will be able to see him at C&W on Mondays and Dr. Jeff will be at C&W Sunday - Friday.

Now for the really exciting news! This is our sixth year of supporting the San Jose Children's Shelter. Four years ago we switched to Christmas in July to help the shelter when donations are usually at their lowest. This year we are holding Christmas a month early. From June 23rd - 27th we will be celebrating a week of giving to children who need our help. The reason for the change is that, Dr. Bruce is expecting his first child in the middle of July! Our wishes and excitement are with him and his fiancée Brenda.

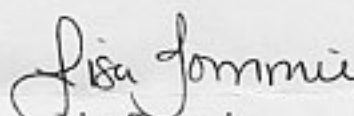

We are looking forward to continuing to grow and support you and your family's health goals. Dr. Jeff is excited to get to serve you, and for you to know him. Look forward to receiving monthly newsletters from Dr. Jeff. Feel free to talk to any of us about the changes, either at the office or by phone. Dr. Dave's cell phone # 425-4527, Dr. Jeff's cell phone # 313-4442.
