

The season of giving is here!

Help the community this holiday season at no cost to you!

December 1st-12th we will be *collecting*:

- *New or used clothing
- *Blankets
- *Gloves, mittens, scarves
and
- *Non-perishable foods

for the less fortunate in the community. So if you haven't cleaned out your closets or pantries in a while here is your opportunity!

Also, if you know any friends, family, co-workers, neighbors, and (well you get the idea) who want to get a check up, right now is the perfect time!

Any **new patient** that comes in to the office **December 1st-12th** will receive:

- **A full chiropractic exam**
- **Any necessary X-rays**
- **A follow-up report of findings**

All this for a \$40 donation and one of the above items!

All proceeds will go to the Grace Community Center.

Please contact **Lisa** at **408-558-9490** today to schedule an appointment.

Space is limited!

Have a Happy Holiday

Dr. Jeff Potts
